

# Massachusetts System of Assurance of Net Metering Eligibility

## Summary of Requests for Transition Period Cap Allocations

**Date: February 8, 2013**

Per D.P.U. 11-11 A Appendix A (October 25, 2012) Section 4(A), facilities that will interconnect within 90 days of the Effective Date (January 24, 2013 at Noon) have the option to request a Cap Allocation via the Transitional Period Process. As of the end of the transitional period, on February 7, 2013 at 11:59 AM, fifty-four notifications of requests for transitional cap allocations were received by the Administrator. Received requests are summarized below. Impacts of transitional period cap allocations are detailed in the Application Activity and Remaining Capacity Report.
